

"KIWALITE" Engineer Grade 2600 Series

Features

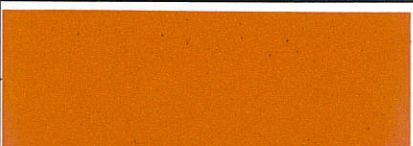

"KIWALITE" Engineer Grade 2600 Series is enclosed lens type sheeting, featuring excellent reflectivity, workability.

This series meets the requirements of ASTM D4956 Type 1 Specification.

The sheeting has excellent visibility at wider entrance angle than conventional engineer grade sheeting of enclosed lens type, and solvent inkjet printability.

These prominent properties offer wider applications, from official traffic signs to conspicuous commercial signs, or functional safety appliances.

Color

CO L O R	Code No.	SAMPLE
White	#2613	
Yellow	#2663	
Orange	#2653	
Red	#2663	
Green	#2673	
Blue	#2683	

Precautions

- * Substrate surface must be carefully cleaned before application works.
- * Available to cut by cutting plotter machine or handy cutter and to print by silk screen printing inks or solvent inkjet.
- * Please secure precautions for use in Kiwa's technical bulletin.
